
2 spots added for Bermuda

Posted by Administrator - 2009/05/18 16:40

Hi Snorkel Fans,

we have added two new snorkel locations for the Bermuda in our Snorkel Spots Directory.

The beautiful beaches of Tobacco Bay and Church Bay are two excellent spots for snorkeling ranging from beginner to experts.

You can add more spots in our Directory and you can write a review or rate each of them!

Keep adding those spots ;)
